

A fan of ten wood samples is displayed against a white background. The samples are arranged in a semi-circular fan shape, showing a variety of wood species and finishes. The colors range from light beige to dark brown. An orange circle is overlaid on the left side of the fan, partially covering the wood samples. The text "LE ESSENZE" is written in white, uppercase letters inside the orange circle.

LE ESSENZE

ESSENZE E CROMIE

La libera interpretazione della blindata

Ad ogni porta la propria essenza. Ogni essenza ha le sue caratteristiche distintive e contribuisce ad esaltare la linea dei ri-vestimenti delle porte blindate. Dalle essenze per i pannelli lisci a quelle per i pannelli in alluminio, ti garantiamo un'ampia scelta per rispondere ai tuoi gusti e alle tue esigenze di stile.
